

## RIDEAU TOURS 2020 SEASON UPDATE – April 18, 2020

In these extraordinary times Rideau Tours is first and foremost committed to the safety and wellbeing of our guests. As Canadians respond to COVID-19, there are many unknowns for everyone including our small tourism business. We will continue to follow Parks Canada, Transport Canada and all public health agency guidelines as we navigate these uncharted times which means that our tours and rentals will only open when distancing measures are relaxed, and public health officials advise that it is safe. When we do reopen, we will follow the advice of The Public Health Agency of Canada to make modifications that will reduce the chance of spreading viruses.

You can support Rideau Tours with the purchase of a gift certificate for use in the future and we look forward to welcoming you aboard when public health officials advise that everyday activity in Ontario can resume. **Please keep checking our website and Facebook page for updates.** [www.rideautours.ca](http://www.rideautours.ca)

Until then please stay home, stay healthy and stay safe.
